Students,

Letters are a very vital part of a student's life here at Mansfield State Teachers College. They are a means by which we can maintain contact with the folks at home. Through letters we can also tell others of the many activities, responsibilities, and broadening experiences which work together in making our college years — truly — the best years of our lives.

We sincerely hope that the letter in which form this yearbook is written will bring back fond memories in the years to come.

Sincerely,
THE STAFF

Dedication

Dear Mom and Dad,

It seems as though we are taking and seldom giving. Lots of times there isn't even a *thank you* for your time and effort. You guide, love and counsel us with no thought of harvesting great rewards. Simple gestures of appreciation slip our minds, so we would like to show our gratitude. To you we dedicate our 1952-1953 CARONTAWAN.

**COMMONWEALTH OF PENNSYLVANIA
DEPARTMENT OF PUBLIC INSTRUCTION
STATE TEACHERS COLLEGE
MANSFIELD, PENNSYLVANIA**

You are tomorrow's teachers and your major task will be the education of a generation of youth destined to live, work and play in an era fraught with serious problems of a personal and professional character. These problems will be more complex and more demanding than those that confront your teachers. In your preparation for your profession, you should have acquired a recognition of these problems and a courage to face them so that those you teach will increase in self-understanding and self-realization through your wise counsel.

I commend to you the words of J. J. Metcalfe:

The most important part of all . . . The struggle we go through . . . Is that of finding out what we . . . Are best equipped to do . . . The calling that is ours in life . . . According to the way . . . That we can do the greatest good . . . For others every day . . . It matters not how smart we are . . . In terms of high degrees . . . Or how much time we give to thought . . . At universities . . . But only that we know that we . . . Are content to give . . . to make it fair and easier . . . For other folks to live . . . And then to use our talents to . . . Accomplish what we start . . . And render every service with . . . Sincerity of heart.

And great hearts expand

And grow one in the sense of this world's life.

ELLAMAE JACKSON

*Blessed be letters—they are the monitors, they are
also the comforters, and they are the only true
heart-talkers.*

—DONALD GRANT MITCHELL

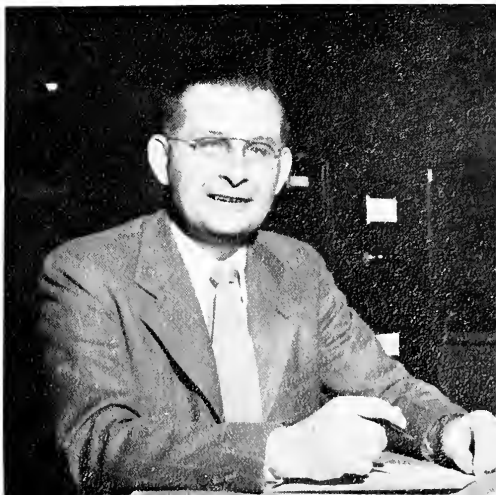

Dean of Men

SAMUEL M. LONG

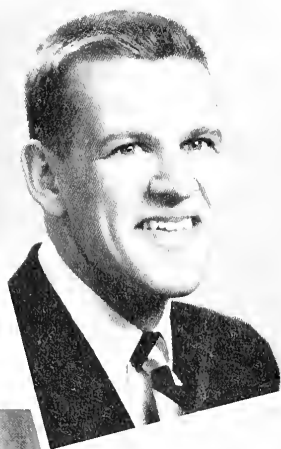

*As we grow older, the thing that becomes more and
more clear to us is the importance of friendships,
and one can conceive of no greater satisfaction
than that of conducting himself in such a fashion
that he may constantly add to his list of friends,
and thereby obtain a fuller measure of life. To live
for the most there is in life must mean that we
cannot live to ourselves alone. If we wish real success
we must work and build together.*

Student Council

The Student Council is the governing body of the Student Government Association. It is composed of class officers, organization officers, and its own executive members elected from the student body. The duties of the Council include: planning the social calendar and extracurricular activities, publishing the "Password," voicing the opinions and problems of the student body, and promoting good working relations between the student and administration.

OFFICERS

<i>President</i>	John MacLean
<i>Vice President</i>	Al Wagner
<i>Secretary</i>	Ray Maginsky
<i>Treasurer</i>	Diane Kirby

Women's Dormitory Council

Women students living in North Hall elect the council to administer student life in the dormitory so that all may live comfortably and with consideration for others, develop group and individual responsibilities, strive for high scholastic standards, and promise friendliness among the women in the dormitory.

OFFICERS

<i>President</i>	Mary Dewey
<i>Vice President</i>	Ada Mae Frailey
<i>Secretary-Treasurer</i>	Marilyn Brush

Men's Dormitory Council

The governing body of the Men's Dormitory consists of a Council instituted for the purpose of creating an educational atmosphere in which men can work, as well as a cheerful situation in which to live. It is the Council's aim to govern efficiently: and to enrich the student's life through social and academic contacts.

Day Students' Club

The Day Students' Organization has taken an increasingly important position in campus affairs this year. The basic objectives of this club are to create good will and cooperation among day students and dormitory students, and to assume a definite voice in the Student Government Association. Bi-monthly meetings were held to discuss current campus problems and further integrate the club with collegiate affairs. During the past fall the Day Students sponsored a sport dance which was very successful. Highlights of the informal aspects of the organization were the picnics held in the fall and in the spring, construction and entry of floats in several college parades, and presentation of an assembly program.

Departments

Home Economics

The Home Economics Department has a three fold aim: to instill in the student a concern for the happiness and well-being of others, to stress the importance of the home in American society, to prepare the graduate for gracious living in her own home or within the profession. Under the capable supervision of their instructors, home economics majors go forth prepared to carry out these objectives.

Music Department

MISS BROOKS

At Mansfield the instructors in the Music Department attempt to instill in their students the importance and inspirational value of music as one of the most expressive of the communicative arts. Since the aim of the music teacher is to help his pupils acquire a greater and more sympathetic understanding of all music and to encourage fine aesthetic taste, the educational aspect of music education is emphasized.

Elementary Department

MR. HUNSICKER

The seeds of learning take root during the early school years of the child. Thus the elementary teacher is responsible for laying the background for the continued education of the secondary school. A staff of experienced graduate instructors and an excellent elementary school plant offers our students a well-rounded education in the techniques of elementary education.

Secondary Department

DR. MUTCHLER

Preparing competent instructors for the secondary field is one of the functions of the college. To accomplish this end, intensive study in the major and minor fields of the students' choice as well as education courses form the basis of the secondary curriculum.

Remember how confused and green you were when you first arrived on the campus the fall of your freshman year? This year's freshmen felt the same way but you couldn't guess it now; they are full-fledged college students with a sense of belonging. The week of initiation the "Frosh" really had a rough time; by looking at the snapshots you can get an idea of what happened.

Dean Jackson and Dean Long helped the freshmen on the right road to a good beginning and encouraged them on their struggling way. The pictures on the following show their bright and promising faces.

Swimming Class

Despite the fact that they had already spent a year at M. S. T. C., the Sophomores were still up to their crazy antics ... as shown in the snapshots.

Miss Dieffenbach, their class adviser, watches over them protectively and does a very good job in advising them in their many and varied activities and sees them to a successful end.

These are the fiends that initiated those poor freshmen.

Nurses

Our student body does not consist entirely of people entering the teaching profession. Girls from the Robert Packer Hospital and the Hahnemann School of Nursing spend fifteen weeks here at Mansfield, carrying both academic and nursing subjects.

We found them to be participators in our college activities despite their heavy schedule and long hours.

HAHNEMANN NURSES—First row, left to right: Phyllis Ghergo, Lois Hewitt, Shirley Jones, Peggy Brace. Second row: Sue Thomas, Joan Riccardo, Josie Buccarri, Frances Cecci, Liz Wassel, Marilyn Miller, Beverly Johns. Third row: Elinor Elvidge, Carmel Mumfred, Rose Ann Gordan, Connie Maskal, Helen Olsomer, Sylvia Juba, Nancy Newton. Fourth row: Betty Miller, Anne Pugarelli, Florence Riggs, Connie Taylor, Belle Wademan, Gwenn Davis, Jackie Reese, Dolores Hornyak, Miss Brown, Directress: Lois Litner, Joan Evans, Nancy Wiley.

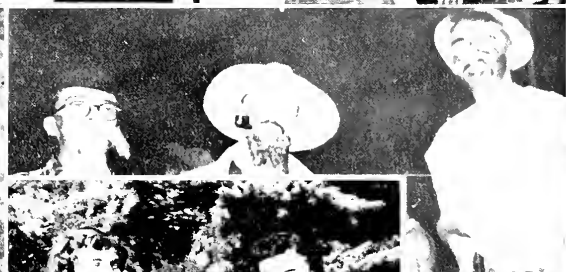

ROBERT PACKER NURSES—First row, left to right: Ruth Park, Pat Becker, Betty Wood, Shirley Thomas, Lorraine Baker, Ann Andrus, Louise Javer. Second row: Leetta Craig, Nancy Crone, Beverly Dunbar, Pat Arnold, Beth Locklin, Mary Jane Finan, Carol Davis, Nancy Bartholomew, Miss Shaddock. Third row: Theresa Rüttell, Virginia Van Sice, Margaret Gaitings, Marjorie Boyden, Barbara Murtaugh, Eleanor DiPlacido, Norma Shea, Jane Hartness, Delores Jones, Sally Bache. Fourth row: Martha Grause, Jean Warren, Nina Tunings, Delores Lounsberry, Eleanore MacDonald, Pat Boyle, Joyce Smith.

First row: Dorothy Ryans, Peggy Welch, Marty Kocher, Jean Bukas, Eleanor Erway, Ann Smith, Pat Warren, Joan Roberts, Alda Stevens, Joan Adams, Shirley Robbins, Marjorie Glidden, Charlotte Jenn, Mary Smith, Connie Wallace, Barbara Reif, Naomi McNett, Beverly Metzger, Marjorie Havilland. Third row: Mary Ellen Madigan, Joan Ryan, Marjorie Rice, Miss Shaddock, Rose Loetzer, Catherine Wildrick, Maureen Hoyt.

Junior Class

The Juniors this year didn't seem to be lacking in pep as these pictures show. The officers admit there were some times when the going was difficult; but the Juniors' adviser, Mr. Michota, was right there to help. Seriously, they were an active participating group when it came to school activities.

They must have been on their best behavior the day the class pictures were taken.

What's This?

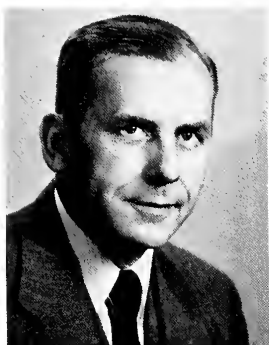

What happened?

Fancy Pants!

The most sophisticated of the lot are the seniors . . . or so it is rumored. It is not evident, however, in these snapshots. Dr. Schappelle, their class adviser has really done a marvelous job with them these past four years. The officers have worked hard too. Together they have turned out a class any college would be proud of. They look as if they were headed for the hall of fame, don't they?

Who's Who

The President, the Deans of Students, the Departmental Heads, and the eight students appointed by the Student Council had a hard task when it came time to choose the candidates for Who's Who. The total enrollment of the college determines the number to be elected. Qualifications are excellence and sincerity in scholarship, leadership, and participation in extracurricular activities, citizenship, service to the school, and promise of future usefulness to their profession and society. We can bestow no higher honor on our outstanding men and women.

Organizations

Art Club

Our Art Club is a special interest group which endeavors to serve those who appreciate aesthetic things. The club is open to all students who have received an "A" in an art course. Their purpose is to bring about a sensitivity to finer things and an appreciation of art as it is found in our everyday lives. The theme for this year was *Projecting yourself through Art*. The Christmas and May Day decorations are the work of the Art Club. They are affiliated with the Eastern Arts Association and each year send delegates. Their main aim is the enrichment of life through the creation and appreciation of art.

A.C.E.I.

The Elementary Department has an organization of its own called the Association of Childhood Education International. It is an organization for all students working with children. The A. C. E. I. endeavors to promote work toward the education and well-being of children and to encourage continued professional growth of teachers and leaders in the field.

Through A. C. E. I. its members feel that they can enrich and further develop their professional ideals and attitudes. The meetings present an excellent opportunity to meet both students and faculty in a cordial, informal, but professional atmosphere.

Student Christian Association

Our annual Religion in Life Week brought to the campus outstanding speakers. *Climbing Higher* has been the theme for this past year and was the goal of all our spiritual, social and intellectual activities. Through participation in the Student Christian Association (open to all students) there has been an awareness of a change resulting from growth.

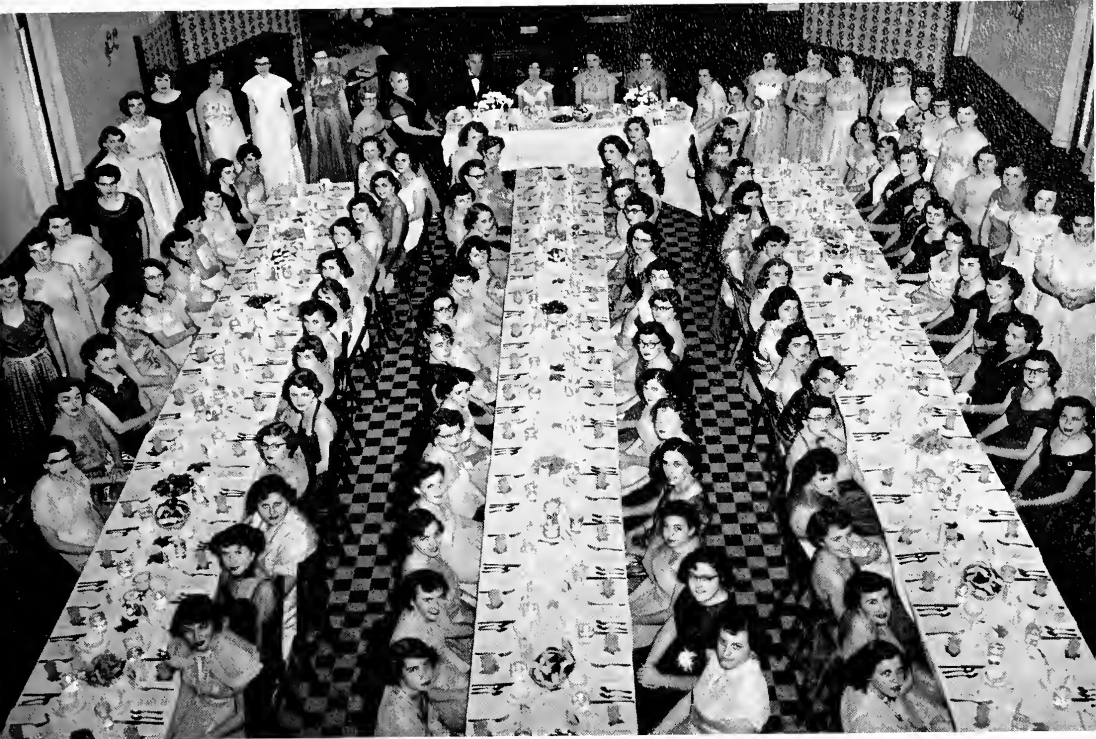

As Christians of all faiths we have gathered together and worked towards common goals. We have indeed climbed higher, but most important is the realization that we shall continue to climb. Though many miles may separate us when we leave Mansfield, we can look back with satisfaction to our year in Student Christian Association. We have all possessed the strongest possible tie—the belief in God.

Omicron Gamma Pi

With cooperation as its keynote, Omicron Gamma Pi strives to encourage professional interest in the field of Home Economics—at the same time promoting a friendly atmosphere on the campus. Meetings present a challenge to the members by affording them the opportunity to develop skills and interests in their chosen field. Close contact is kept with national activities through the club's association. Omicron is open to all students of Home Economics.

You don't have to be a pro to be a member of W. A. A. All women are eligible and it is one of the largest and most active organizations on the campus. The Women's Athletic Association provides an opportunity for all women to participate in numerous athletic activities. We always have fun in our social events and in our tournaments which aim to promote good sportsmanship.

Along about Homecoming day you will probably see posters advertising a sports dance. That is the "M" Club at work. This organization is composed of men who have earned a varsity letter in one or more intercollegiate sports. Its purposes are to encourage a high standard of personal conduct on the part of the members and to maintain friendly athletic relationships with other higher educational institutions.

In the fall of 1921, an M.S.T.C. student suggested that all varsity men form an honor organization—thus we have the "M" Club. They manage the printing and selling of the programs at home football games, operate concessions at basketball games and this year under the presidency of Ted Strein had a successful sports dance.

College Players

For developing personality and talent, we have our College Players, organized for fun as well as for artistic and cultural growth. The backstage crew is as important as the actors in the many successful productions staged. Among the members you find friendliness, cooperation, enthusiasm, and talent. The knowledge gained through dramatic experience is transferrable to the future professional lives of each individual member.

The 1952 season got under way when the "Mounts" kicked off to Ithaca at Smythe Park in Mansfield. Loos tore through the line for the first T.D. The second came minutes later as Young and Rossi broke through to block an Ithaca punt which was recovered by Burdick. The third came as a result of a beautiful punt return of 45 yards by Kutney leaving the score: Mansfield 20—Ithaca 13.

The inexperienced M. S. T. C. squad was unsuccessful in its battle against a heavy, fast, Bloomsburg eleven. A touchdown pass from Kutney to Williams in the second period brought the score to Mansfield 6—Bloomsburg 25.

The Kings College team was kept in check in the first quarter mainly through the efforts of the "Mountaineers" strong defensive team. The final score came on a 42 yard run by John Kutney. Eltringham converted. The Kingsmen won 21—14.

At Stroudsburg, our "Mounts" held the scales even in the touchdown column, but lost 14-12 by failing to convert either goal. The fourth quarter was a thriller as the mounts drove for the tally so needed to get back into the game. The T.D. came on a 12 yard pass from Ted Strein to Don Williams. Again the conversion failed.

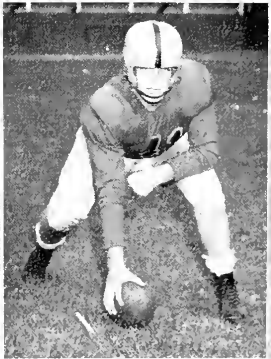

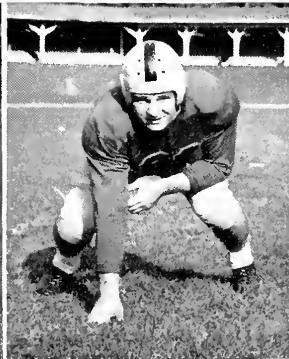

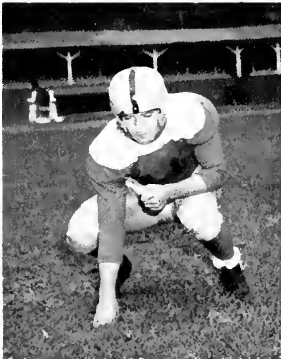

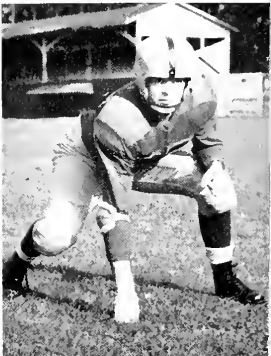

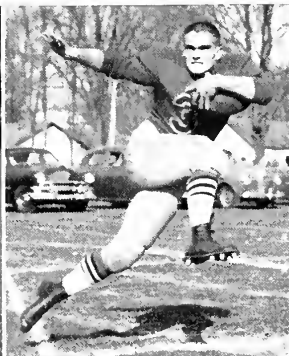

Kutztown's Golden Avalanche really played some spirited football that day. The "Mounts" were really confident of this one—but Kutztown turned the tables making the score 23-7.

Although the Mountaineers outplayed Edinboro in all departments except the vital one, it was a thrilling game. Mansfield scored 12 first downs and 7 points to Edinboro's 11 first downs and 12 points.

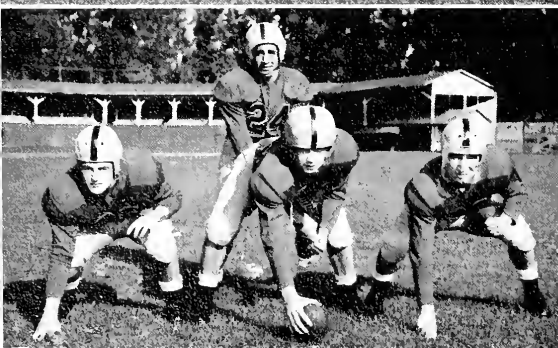

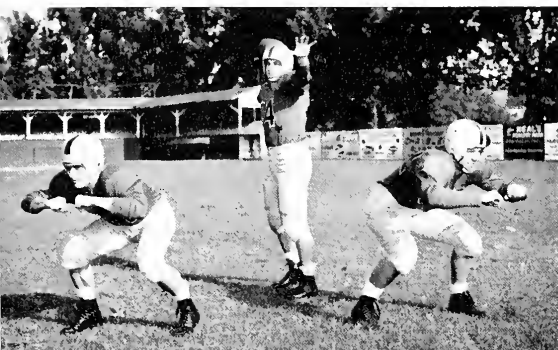

Mansfield lost to the Teachers' Conference leading scorers, 32-7. The lone tally scored against Lock Haven happened when John Kutney grabbed a Bald Eagle punt on his own 37 yard line and went for a touchdown.

Loos ran off tackle for 40 yards, putting the ball on the Marauder's 30. From there Kutney dropped back and passed to Loos for a T.D. Kutney converted. A Kieffer to Loos pass covering 20 yards was good for another tally. A pass from Strein to Roan took the ball to the 4, from there Loos plunged over. After several plays, Kieffer ran around end for the fourth T.D. ending with the score Mansfield 27—Millersville 21.

For Coach Rushin the season was one of rebuilding for future grid wars. Completing his first year as head coach, he fielded a high spirited, very aggressive never-die team. From the school's standpoint, it was a successful season even though the scores may not indicate such. About half of the squad were freshmen, sixteen of whom received letters.

Clyde Miller, John Kutney, Edward Loos.

John Lewis, William Young, Joseph Orse, Ted Strein, Joe Yanchick.

Martin Murray, Joe Giannetto, Tom Best, Gus Rossi.

John O'Donnell, Joe Orse, Lloyd Keiffer, Francis Pecaitis, Kenneth Kern.

The team was co-captained by two very fine halfbacks in "Ed" Loos and "Soddy" Miller. Helping out at the halfbacks were Joe Yanchick and Howard Shiner. At fullback, John Kutney, who made second string Teachers Conference all-star team, was our triple threat star. Helping John were two promising fullbacks in Lloyd Keiffer and Merle Stillwell. Sharing the Q.B. spot were Ted Strein and Joe Giannetto.

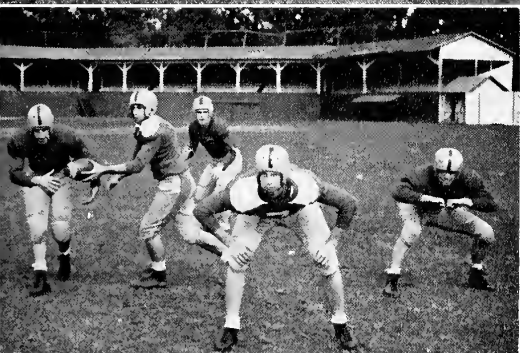

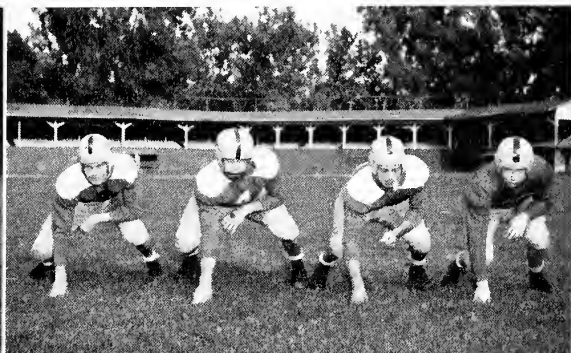

For the boys who get by-passes when glory is acclaimed, Mansfield had some top notch performers. Frank Sudack and Nick Bruno were mainstays at the tackle post all year—two very fine ball players in any league. Gus Rossi and Red Murry, with Burt Ruegg helping, gave us three very scrappy ball players at the guard post. The end posts were held down by Tony Roan, Don Williams and Frank Malanick on offense. Gene Burdick, Joe Valentinilli, and Harold Williams did a good job on defense. The center post was held down by Tom Best on offense, while Bill Young played some good ball on defense. The other backer up was played by Joe Orse, who did a mighty fine job. Mansfield finally came up with a good defensive half back in Jack O'Donnell.

And don't forget fans, were it not for good substitutes like Cheplick, Ruegg, Rovito, Kilheaney, W. Strein, Whitmore, Pecaitis, and Kennedy and the others, there would be no football at good ol' M. S. T. C. Hats off to Mr. Rushin and the team for, what we think, was a successful season.

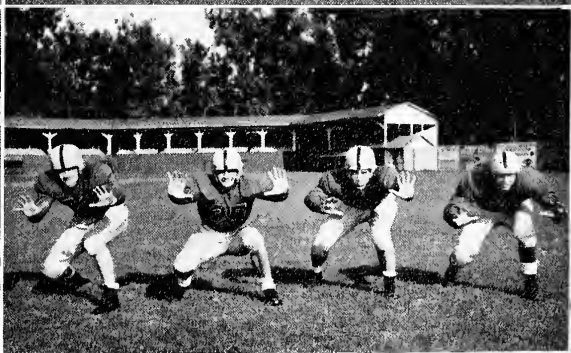

Bob Eltringham, Don Williams, Anthony Roan, Frank Malinick.

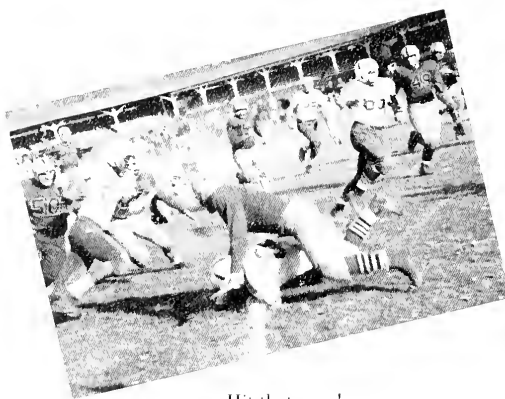

John Kilheaney, Raymond Berg, Harold Williams, Harold Burdick.

Howard Shiner, Bruce O'Dell, Merle Stillwell, Joe Valentinilli, Fred Murdock.

Half time was always a treat for everyone. Mr. Francis kept the whole crew on their toes for a highly successful season. They were well received by the spectators when they traveled to Lock Haven and Bloomsburg. There was a new personality added to the twirling staff this year in the person of Don Berg. Luther Hoffman, in his four years as head drum major, has done a fine job.

The Mounts opened the season at home against Lycoming and lost a very close game.

Our boys then traveled to Cortland where they met one of the best teams in this section of the country. On the short end of a score of 113-44, they knew they had met a very fine team.

After Christmas vacation the hardwood boys traveled to Harpur and racked up an 87-35 victory. Thanks to the teamwork of Orse and Jurnack, we pulled it out of the fire in an over time period.

Coach Casey and assistant Coach Rushin rounded out a very formidable team this year. The team consisted of many veterans lead by co-captains B. Maxon and Shepanski. Our season looked bright. Our schedule was limited to nine games as school was coming to an end. As it happened we never were able to play three of these games because of rain. It was impossible to re-schedule the games at a later date.

With seniors George. Moore, Maxon and Shepanski starting the first game at Bloomsburg, the Mounts were very confident. As it happened we out-hit "Bloom" 10-9 but in the vital run column it was 14-2. You guessed it, loose fielding was our downfall.

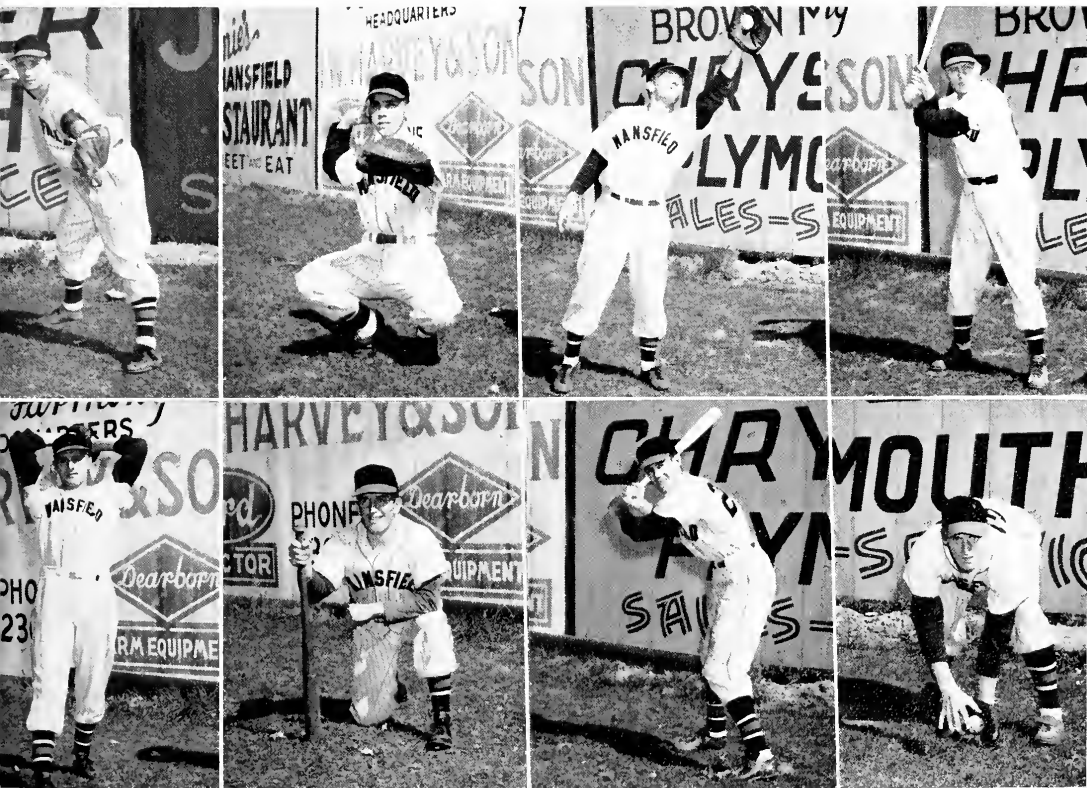

At Lycoming our boys emerged on the heavy end of the score which was 12-10. It was a free hitting contest with George and Lewis getting three hits apiece.

In a ten inning affair at Smythe Park, the Mounts lost a heart breaker by a score of 6-4. Callahan and Cheplick collected three and two hits respectively. Pieri looked good on the mound.

Lycoming came to Mansfield to even up their previous loss but only managed to score 6 to 11. With Shepanski moving to various positions, we looked as though we were beginning to find ourselves. C. Maxon did a nice job of stopping a threat by the down-staters.

With very little practice because of rainy weather we traveled to Cortland. We lost the game by a score of 8-0 to the very fine club from New York state.

The next two games were against Bloomsburg and Cortland, but they were rained out. Our record showed four losses and two wins.

The recreational activity around the campus of M. S.T.C. serves to foster real friendship among our boys. Mr. Decker, our supervisor, sets up a well rounded sports schedule that includes about everyone. What the student learns in participation adds that final touch to make him a successful teacher. The outcomes are: friendship, fair play and cooperation which produce the real sportsman.

Among the many activities the program offers are: basketball, softball, bowling, swimming, volleyball, pool, shuffleboard and several winter sports. Our intramural leagues in basketball, softball and bowling produce some of the more exciting competition seen on campus.

Kappa Delta Pi

For those juniors and seniors who have commendable personal qualities, worthy educational ideals, and sound scholarship there is a national honorary educational society, Kappa Delta Pi. Our Beta Rho chapter was founded at Mansfield, May 27, 1930. Kappa Delta Pi aims to inspire high professional attitudes and education, high intellectual and personal standards, promote fellowship among its members and recognize outstanding contributions to education. We consider it a distinct honor to be invited to join.

Kappa Omicron Phi is our national honorary Home Economics society. A member must be a second semester sophomore with a 2.3 average and must have completed 15 semester hours in the field of Home Economics.

During the past year Kappa Omicron Phi has had a Founder's Day Banquet, has presented an assembly program, has done social service work, and sponsored a weekend. Kappa Omicron Phi aims to stimulate intellectual, spiritual, and professional growth, and to further the best interests of home economics.

Lambda Mu

We all enjoy the programs put on by Lambda Mu, an honorary music sorority. A girl must be a first semester junior, have high averages in both music and academic courses, and prove herself worthy of becoming a member.

The purpose of Lambda Mu is to foster music and musical interests, to offer opportunity and encouragement for individual development of talents and interest in music, and to maintain high scholastic and professional standards.

Sigma Zeta

Every school has its honorary science society. Our Lambda Chapter of Sigma Zeta was established here sixteen years ago. It is restricted to juniors and seniors, but those students whose studies and interest show them to possess high ideals in scholarship in their first two years of college are eligible for associate membership. Its objectives are the encouragement and recognition of high standards of scholarship and achievement among undergraduate college students in science and math. Among the activities engaged in by this society are field trips, outings and interesting lectures by prominent persons in the fields of science and math.
